Dear dreamers,

I am Maya – a hidden tropical paradise in the heart of Saigon,
where serenity meets city energy.

The dim lights cast upon me a presence that is half real, half dreamlike.

In every cocktail I offer you, there is the sweetness of allure,
the spice of rebellion, and the lingering taste of unspoken desires.

And I am a wildflower, awakening emotions you thought were forgotten.

Let me imprint upon your heart a melody of freedom, intensity,
and endless enchantment.
